

Dear Parents/ Guardians:

Year-3 students are learning this term about Salah (Prayer), and we would like your participation with our lovely students on this topic.

They have a project which needs to be done as homework. Kindly help your child with this and to encourage them to know the importance of Salah.

Project: capture a picture of your child practicing the steps of Salah. Create a poster of A3 /A4 size to be displayed in the class.

The project needs to be submitted on Sunday 28th January 2018.

Your support in this is highly appreciated

Regards

Sial Khan
